Dear Mr Hrehorowicz,

It is with great pleasure to inform you that the Executive Committee of the European University Sports Association has nominated you as the Technical Commission Vice-Chair for the period 2016-2020.

Your commitment to university sport is highly appreciated, and the success of EUSA sporting events undoubtedly relies on the dedication and work of our committees and commissions; Technical Commission being one of the most visible ones.

One of the first tasks and actions of the newly appointed Technical Commission is participation at this year's EUSA Convention, which will take place in Bled, Slovenia from September 22-25, 2016. You will find more information in the attached invitation.

We hope to continue our strong cooperation in the field of university sport and congratulate you again for your nomination.
