STATISTICS and INFORMATICS

**RUSSIAN LANGUAGE
SUMMER SCHOOL**

JULY 2015

Russian Language Summer School

July 8-29, 2015

Moscow State University of Economics, Statistics and Informatics (MESI) invites you to the Russian Language Summer School that is a perfect opportunity not only to learn Russian but also to be integrated into a Russian speaking community and to enjoy one of the largest cities of the world.

Our History

We offer a 3-week programme for those who are willing to start learning Russian and who wish to improve their skills. Classes are held in international groups of 7-10 students based on the Russian language competences.

Upon successful completion of the programme participants will get the Russian Language School Certificate awarded by MESI. Preparation for the Test of Russian as a Foreign Language (TORFL) is also available upon request.

Our programme includes:

- Placement test
- 80 hours of intensive lessons: reading, writing, speaking,
- listening comprehension, phonetics and grammar
- Post-course testing and individual feedback
- Course on Russian history and culture in English (10 hours)
- Guidelines for further self-study
- Cultural programme

Our History

A brief course of the Russian history and culture in English provides an idea of the Russian state in historical prospective which is important for foreign language study.

For participants interested in passing TORFL (Test of Russian as a Foreign Language), a course of instruction and passing the test may be arranged upon request. MESI is an authorized TORFL examination centre.

Beginners have an opportunity to:

- Learn the Russian alphabet and start writing in Russian
- Get familiar with Russian grammar basics
- Learn the most useful phrases and words
- Manage everyday Russian: in the street, in public transport, in stores and restaurants
- Develop listening comprehension to understand voice announcements in the subway, at a railway station etc.

Our History

Participants who wish to improve their skills in Russian have an opportunity to:

- Revise and enhance their knowledge of Russian grammar basics
- Overcome language barrier
- Be able to read and review articles, essays and news
- Be able to communicate in Russian on the Internet (forums, blogs and social networks)
- Make brief speeches and reports in Russian

Accommodation and meals are arranged at the University campus. It is located in a cosy and quiet zone in the Western part of Moscow but provides an easy access to the city center.

We provide accommodation in two- and three-bedrooms in the MESI dormitory, the block of two rooms with bathroom facilities, a kitchen on each floor level.

Meals are served in the University cafeteria.

Wi-fi Internet access is available across the MESI campus.
